OUR STORY

New Dawn New Day has been working to change women's lives across Leicestershire and Rutland for over 30 years. We've come a long way since we were first formed as a community centre in 1987, but our aim remains the same:

To create a brighter future for women

Today we specialise in supporting women involved with the Criminal Justice System, women who face multiple disadvantages and have been subjected to trauma, violence and abuse. We provide a gender responsive, holistic and trauma-informed approach to create brighter futures for women.

What's important to us

WE ARE TRAUMA INFORMED

Maintaining a safe, trauma-informed environment and culture is paramount to our work. This means that we understand the impact of trauma on women using our services, our staff and volunteers, and respond by making sure that everyone involved with New Dawn New Day feels safe across the entire organisation.

WE ARE INCLUSIVE

New Dawn New Day works with women from a diverse range of backgrounds. We work with all women referred to our service, including trans women and non binary people whose needs are best suited to our service. We ensure that everyone using our service feel safe and comfortable.

WE VALUE OUR PARTNERSHIPS

We work with partner agencies to break down barriers to engaging with services. Utilising partnership work provides a better service for the women referred to us, giving access to a 'one stop shop' of multiple kinds of support. Our partners share our values and we work together to get the best outcomes for women.

Get Connected

If living through the Pandemic has taught us anything, it's that distance doesn't have to be a barrier!

VIRTUAL QUIZ NIGHT

Take your quiz online with a donation for entry. You could theme your quiz around famous or influential women and give extra points to participants for dressing up as women who inspire them!

ONLINE CRAFT GROUP

Take inspiration from us and set up an online craft group! During lockdown, we posted out craft kits to women using our service, then we all logged onto Zoom to work on crafts together while having a natter.
